

**Physiologists in Industry Translational Research Award
Application Rating Worksheet**

Parameter	Rating					
	Outstanding	Excellent	Good	Fair	Poor	Inadequate or Not Provided
Abstract (70 pts)						
Title	5	4	3	2	1	0
Appropriate background	10	8	6	4	2	0
A clearly stated hypothesis or aim	10	8	6	4	2	0
Methods; Include the model system used, sample number (n), dose, route, etc. Was the technical approach to the study clear? Methods don't necessarily need to be new or innovative but if so are they explained?	15	12	9	6	3	0
Results; Were the major findings clearly stated? Were the pertinent results obtained with quantitative and statistical comparisons, when appropriate.	15	12	9	6	3	0
A clearly stated conclusion & significance	15	12	9	6	3	0
Letter (30 pts)						
His/her role in the research described in the abstract	10	8	6	4	2	0
Significance of the research to the field	10	8	6	4	2	0
A statement of his/her career goals	10	8	6	4	2	0
SUB-TOTAL SCORE						
TOTAL SCORE (out of 100 possible)
