Position Title: Assistant Professor, Tenure Track, Cell/Molecular Biology/Physiology

Background
The Department of Biomedical Sciences (https://www.missouristate.edu/BMS/) in the McQueary College of Health and Human Services (https://mchhs.missouristate.edu/) at Missouri State University is searching for a colleague to join our vibrant and collegial department. The position is for a tenure track, nine-month appointment at the Assistant Professor rank.

Responsibilities
The successful candidate will demonstrate a commitment to inclusive teaching practices and expertise in cell and molecular biology. Teaching responsibilities include instructing, advising, and supporting both undergraduate and graduate students as well as providing access to high impact practices aimed at increasing student retention, persistence, and success. Research responsibilities include development of an active research program involving undergraduate and graduate (M.S.) students resulting in peer-reviewed publications and applications for extramural funding to support research. Candidates should provide service to the department, college, university, and community to fulfill the Public Affairs Mission.

Qualifications:
The candidate must have the following:
- A doctorate (Ph.D.) in cellular and molecular biology, cellular and molecular physiology, or closely related field
- Ability to teach courses in molecular cell biology, signal transduction, cancer biology, virology, or molecular and cellular physiology
- Potential for, or evidence of, application of innovative, learner-centered pedagogy
- Involvement and ability to engage students in biomedical science research.
- A publication record in peer-reviewed journals
- Ability or potential to mentor and support our student population
- Ability to develop knowledge of, respect for, and skills to engage with those of other cultures or backgrounds.

Salary and Benefits:
Salary and rank are commensurate with qualifications and experience. Proposed Salary: 55,000 to 60,000

Requested Start Date:
August 15, 2022

Application Materials, Contact, and Application Deadline:
Screening of applications will begin on December 7, 2021 and will continue until the position is filled. Interested individuals should apply online at https://jobs.missouristate.edu/postings/58683. Application documents to be submitted online are:
1) A cover letter
2) A curriculum vitae
3) The names and contact information of at least three references
4) Unofficial or official copies of all undergraduate and graduate school transcripts
5) A statement of teaching philosophy which must include/address teaching responsibility
6) A research statement including project description, potential collaboration, and student involvement
7) A diversity statement that discusses past or future contributions to inclusive excellence in the areas of research, teaching and/or outreach
8) Optional evidence demonstrating instructional/teaching excellence, etc.

Graduate transcripts will be required at the time of hire.
