Overview

Rocky Vista University in Ivins, UT is conducting a search for a Biomedical Sciences Adjunct Faculty in Physiology.

To be considered for this position applicants should submit a letter of interest and CV.

PRIMARY PURPOSE: Teach Physiology (4 credit hours) to students in the MSBS program during Fall 2020. The course will be Thursdays, 1 PM - 5 PM; August 10, 2020 - December 18, 2020.

Responsibilities

ESSENTIAL JOB FUNCTIONS:
The MSBS adjunct faculty is responsible for the on-line delivery of instruction for the MSBS Biomedical Physiology I Course. This also includes evaluation, assessment design, and assignment of grades to his/her students, and to maintain a positive and professional demeanor. Expectation is four hours a week of live-content delivery via Zoom plus one hour of live office hours.

Qualifications

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:
An earned professional degree in applicable area and a proficiency in Physiology is required. A minimum of 1-2 years of teaching experience in an undergraduate or graduate level Medical or Biomedical Sciences program, strong teaching and assessment skills, and understanding of the goals and outcomes of a post-baccalaureate biomedical sciences program are recommended.

MINIMUM QUALIFICATIONS:
§ PhD, PharmD, DO, MD, or DDS in applicable academic area
§ Proficiency in Physiology curriculum
§ Official transcripts required upon hire

PREFERRED QUALIFICATIONS:
§ In addition to the minimum qualifications:
  • 1 to 2 years of teaching in an undergraduate or graduate level Medical or Biomedical Sciences program
  • Strong teaching and assessment skills are highly desired
  • Understanding of the goals and outcomes of a post-baccalaureate biomedical sciences program are recommended

Final applicant will be required to pass background check and drug screening.

Rocky Vista University is in full compliance with the Americans with Disabilities Act (ADA) and does not discriminate with regard to applicants or employees with disabilities, and will make reasonable accommodation when necessary.
