The University of Texas Rio Grande Valley School of Medicine (UTRGV SOM) established in 2015 is located in the heart of the Rio Grande Valley of Texas, a region known for its rich culture and growing urban environment. UTRGV is predominantly a Hispanic-serving Institution with a very diverse student body, in addition to a diverse faculty who are committed to working in a multicultural environment and dedicated to student success. The region boasts of multiple cities adjacent to each other, with excellent schools, safe neighborhoods, and a vibrant economic environment, and yet is one of the most affordable places to live within the country.

The Department of Molecular Science at the UTRGV SOM is located in Edinburg, Texas, and seeks to fill one open position with a highly qualified faculty member to teach primarily within the pre-clerkship curricular years of the MD program. The position is a full-time, non-tenure track, 12-month appointment, with renewal of appointment on an annual basis contingent on satisfactory performance and budgetary availability. Recruitment rank is open and will be awarded commensurate with qualifications and experience. The UTRGV SOM offers a competitive salary and a highly comprehensive benefits package.

The UTRGV SOM delivers an integrated, systems-based curriculum utilizing problem-based learning to enhance student success. This is a wonderful opportunity for an outstanding academic physiologist who is enthusiastic about teaching and education, to contribute to a new and growing medical school with an extremely dynamic environment and culture.

Qualifications:

The UTRGV School of Medicine seeks a faculty member at the rank of Assistant, Associate or Professor for teaching Physiology. Experience teaching in an LCME-accredited medical school is preferred. The chosen individuals will assist in implementing a vertically and horizontally integrated curriculum utilizing active learning, team-based learning, problem-based learning, flipped classroom and self-directed study. Candidates must possess a terminal Degree of (Ph.D. or M.D.) or equivalent with post-doctoral experience in the area of expertise. Academic rank will be awarded commensurate with experience and academic credentials.

Review of applications will begin immediately. Applications will continue to be accepted until the position is filled. For consideration, please send a cover letter, CV and statement of teaching philosophy, experience, interests, and evidence of teaching effectiveness to: somdocs@utrgv.edu Attn: Dr. Xiaqian Fang, Search Committee Chair

EEO Statement
The University of Texas Rio Grande Valley is an Equal Employment Opportunity/Affirmative Action employer. It is the policy of The University of Texas Rio Grande Valley to promote and ensure equal employment opportunities for all individuals without regard to race, color, national origin, sex, age, religion, disability, sexual orientation, gender identity or expression, genetic information or protected veteran status. In accordance with the requirements of Title VII of the civil rights act of 1964, the title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, as amended, our University is committed to comply with all government requirements and ensures nondiscrimination in its education programs and activities, including employment.

Diversity Statement
UTRGV is a Hispanic-serving Institution dedicated to student success and building a diverse faculty committed to working in a multicultural environment. UTRGV has an NSF ADVANCE grant to increase
the representation of women in STEM fields and to promote a positive, family friendly workplace for all faculty. We strongly encourage applications from women and minorities.
