Full-Time Visiting Faculty Position in Physiology
(Department of Biology)

GENERAL INFORMATION
The Department of Biology at College of the Holy Cross invites applications for a visiting full-time faculty appointment in Physiology for the 2022–2023 academic year to begin in August 2022. This faculty member will teach Animal Physiology Lecture and Laboratory, Introductory Biology: Mechanisms of Multicellular Life, and a non-majors biology course on a topic of their choosing.

Visiting full-time faculty teach three courses each semester and are eligible for travel support and reimbursement of relocation costs within the College’s published policies. All full-time appointments offer competitive salaries and include full benefits.

The Department of Biology is committed to providing support and mentorship of our visiting faculty to ensure future success within their chosen career path. The successful candidate will be provided with significant teaching mentorship in the introductory biology course, as well as mentoring in other areas of teaching and in their continued scholarship efforts, as appropriate. There are no required service or scholarship expectations in this position. The Department of Biology at Holy Cross consists of faculty that span the breadth of Biology and participate in interdisciplinary programs including Environmental Studies, Neuroscience and Biochemistry.

QUALIFICATIONS
A Ph.D. (or ABD) in biology or related fields. Previous teaching experience is preferred.

APPLICATION INSTRUCTIONS
Please submit a letter of application, current curriculum vitae, a statement on teaching philosophy and interests, transcripts, and two confidential letters of recommendation.
