PSY AY 21/22 Clinical Science Endowed Chair Search Area of specialization open

Location: University of Notre Dame

Open Date:
Aug 6, 2021

Deadline: Oct 31, 2021 at 11:59 PM Eastern Time

Description:
The Department of Psychology at the University of Notre Dame invites applications for an Endowed Chair in Clinical Science. The successful applicant is expected to maintain an internationally visible and externally fundable research program, supervise doctoral research, and teach at the graduate and undergraduate levels. Although area of specialization is open, the Department of Psychology has a strong culture of collaborative and integrative work across program areas, so scholars who can bridge their core interests with complementary departmental strengths in developmental, cognitive, brain and behavior, neuroscience, and quantitative psychological sciences are particularly attractive. The position will begin in Fall, 2022. To guarantee full consideration, applications must be received by October 31, 2021, but review of applications will continue until the position is filled. For questions, contact Ted Beauchaine, Search Committee Chair, at mailto:tbeaucha@nd.edu. Candidates may apply free of charge at http://apply.interfolio.com/

The College of Arts and Letters at the University of Notre Dame is investing heavily in the Psychology Department, including several new hires in the past two years. South Bend is a burgeoning city with high quality of life, low cost of living, and close proximity to scenic rural areas and Lake Michigan beaches. The Chicago metro area is readily accessible by car and train.

Commitment to Diversity

The Department of Psychology at the University of Notre Dame prioritizes diversity as a core value. We strive to create inclusive working and educational environments that are enriched by cultural diversity and individual differences of all kinds. Diversity and inclusion enhance the wellbeing of faculty, students, staff, and the broader community we serve. The Endowed Chair is expected to value and cultivate diversity in research and in hiring/recruiting within the area.

Qualifications:

Ph.D. in Psychology or related field

To apply, visit https://aptrkr.com/2427159
This appointment is contingent upon the successful completion of a background check. Applicants will be asked to identify all felony convictions and/or pending felony charges. Felony convictions do not automatically bar an individual from employment. Each case will be examined separately to determine the appropriateness of employment in the particular position. Failure to be forthcoming or dishonesty with respect to felony disclosures can result in the disqualification of a candidate. The full procedure can be viewed at https://facultyhandbook.nd.edu/?id=link-73597.

**Equal Opportunity Employment Statement**

The University of Notre Dame seeks to attract, develop, and retain the highest quality faculty, staff and administration. The University is an Equal Opportunity Employer, and is committed to building a culturally diverse workplace. We strongly encourage applications from female and minority candidates and those candidates attracted to a university with a Catholic identity. Moreover, Notre Dame prohibits discrimination against veterans or disabled qualified individuals, and requires affirmative action by covered contractors to employ and advance veterans and qualified individuals with disabilities in compliance with 41 CFR 60-741.5(a) and 41 CFR 60-300.5(a).
